IGNACIO MELGAREJO

FULL STACK DEVELOPER

ABOUT ME

With experience developing in JavaScript, Node.js, Express, React, Redux, CSS, HTML, and SQL, I am currently trained as a web designer. I am an organized and responsible person, with good communication skills. Tenacious, dedicated, positive, and constantly self-motivated. I am willing to perform my tasks well and work effectively in a team. I am looking for a job that will allow me to grow professionally.
